The Change of Conversion and the Origin of Christendom by ...
Christian population growth is the population growth of the global Christian community. According to a 2011 Pew Research Center survey, there were 2.3 billion Christians around the world in 2010, more than three times as many as the 600 million recorded in 1910. However, this rate of growth is slower than the overall population growth over the same time period.

Inside the Conversion Tactics of the Early Christian ...
The conversion was the result of either a vision or a dream in which Christ directed him to fight under Christian standards, and his victory apparently assured Constantine in his faith in a new god.

The Change of Conversion and the Origin of Christendom ...
Since these structures provided the model for church building during the first centuries after Constantine’s conversion, such churches came to be known as basilicas. In a number of ways, Constantine’s conversion to Christianity had powerful effects on Christian belief patterns, worship patterns and position within the empire.
What effect did Constantine's conversion have on Christianity?
What is conversion and what happens when it is complete? In Philippians 2:12-13 we are encouraged, “Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; for it is God who works in you both to will and to do for His good pleasure.”

What Is Conversion? - Life, Hope & Truth
The Christian Church Created a Need. Strangely enough, Christianity did not succeed in taking over the ancient world simply by addressing deeply sensed needs of its target audience, the pagan ...
